

REMARKS

Applicant respectfully points out the amendments made hereinabove to the claims which further clarify such claims.

The Examiner has stated in the Examiner's Statement of Reasons for Allowance the following: “[t]he prior art fails to teach two policies having different priorities being activated under different priority-related conditions.”

In response, applicant points out that at least some of the independent claims (e.g. Claims 28, 29, etc.) are not necessarily limited to at least the emphasized features that the Examiner has highlighted above. Just by way of example, at least some of applicant's independent claims are not necessarily limited to “two policies having different priorities being activated under different priority-related conditions,” as the Examiner notes.

Clearly, at least some of the independent claims are not necessarily limited to the features that the Examiner has noted above in the Examiner's Statement of Reasons for Allowance, as emphasized above (by way of example only). Instead, each of the claims should only be limited by the language existing therein.

In the event a telephone conversation would expedite the prosecution of this application, the Examiner may reach the undersigned at (408) 505-5100. For payment of

the fees due in connection with the filing of this paper, the Commissioner is authorized to charge such fees to Deposit Account No. 50-1351 (Order No. NAIIP048).

Respectfully submitted,
